Sorry, sorry!
You'll be fine!
What are you doing? Running from the fight already!?
I'm running TO the fight, Blot! Faux's the one I want, not the Book. Now which alleyway turn was it?
Thanks!

This is wild! I can't take on this many rats at once!

Beginning to think you might not have a choice!

That's a lot of rats! Toma, if you've been given toon powers through the Inkbolt tape... then... then!

Toons have gimmicks! Use yours!

Okay, tell me what powers I have and I'll use them!

No clue! This is your toon. You should know what they are!

Fantastic.

The powers of a big bad wolf...

I can huff?

And you can puff!

So that means I can...!

FWOOOOO

~OOOOOSH!

Wow! You really sent them flying!

Oh and you too.

Not far enough! They've already regrouped.

HUFF!

Fine. Then I'll huff and puff even harder!
